

UNIVERSITY of MARYLAND
SHORE REGIONAL HEALTH

UM Shore Medical Center at Chestertown:

Your Local Resource for Exceptional Health

Serving the residents of Kent County and Northern Queen Anne's County, University of Maryland Shore Medical Center at Chestertown delivers state-of-the-art inpatient and outpatient health care services and 24/7 Emergency Department. We're recognized in the health care profession for the exceptional care we provide.

- The **first** designated **Maryland Rural Hospital**
- Accredited as a **Level 2 Age Friendly Health System**, based on success in providing exceptional care to seniors 65 and older
- Designated as a **Level 3 Geriatric Emergency Department** by the American College of Emergency Physicians, in recognition of meeting the needs of older patients
- Adoption of **Emergency Medicine Stabilization Teams** which facilitate excellence in delivering one-on-one critical care
- Designated as a **Healthy People 2030 Champion** by the Health and Human Services Office of Disease Prevention and Health Promotion
